If you are designing a new website, it is essential that you come up with an interesting background ². A decent background ³ fills the space and the inter⁴ to your web design. If you can't create that pattern⁵ on your own, there are a lot⁶ of great resources available online to download free patterns that can be used for commercial or non-commercial use. In this list, you can find almost any kind of ⁷ you think of, all for free. 1. DinPattern DinPattern is a collection ⁸ high quality patterns, which will feel like home on your favorite skate cover or funky clothing brand. The images are available as GIF, PNG or JPEG and can be freely used in a commercial or non-commercial context. However, explicit permission is required to use patterns on any type of printed material, platform, or project. 2. Brusheezy Brusheezy has hundreds of free Photoshop patterns available for download. You can also find many, many Photoshop brushes here, and even these can be used to improve your background pattern designs. 3. Ava7patterns Ava7patterns offers cute and fun patterns. The opportunity to download patterns directly from the creator himself is also a bonus. To go on the chase⁹ you can browse these patterns by the most downloaded, the most commented or the best rated. These background patterns are free to use; no credit link is required, but, as always, it is appreciated. 4. Pattern8 Pattern8 offers a small collection ³ patterns available for free download. These polished, professional-looking selections are of high quality and can be used anywhere you need a bit of dynamism, from your website to a PowerPoint ¹. 5. FBrushes FBrushes is a resource that offers more than just patterns; also find brushes and textures to download, as well.
